Mr. George J. Bauer,
1462 Culver Road,
Rochester, N. Y.

My Dear Mr. Bauer,

Your letter received and glad to hear from you. Regarding the matter you speak of, what class of material could you use to best advantage? If you will let us know more closely what you have a demand for, we could probably make up a lot and send it to you for approval either to be sold outright or on commission which could be decided. We take it you would want the less expensive material.

We have a lot of Roman bronzes of the cheaper grade, also a few denarii. Venice beginning A. D. 1205. mostly small silver
Italy, beginning with Dukes of Savoy, mostly small including copper. Malta, Jerusalem, Antioch, Cyprus, Brabant.
Netherlands Provinces, mostly small silver and copper
Rome, 12th Century also small lot of Papal, small copper and silver.
Switzerland, mostly small silver
Portugal silver and copper going back to 1325
Russia beginning 1385 to 1855. Mostly small silver and copper.
Small Danish and German the latter of which I do not suppose is desirable just now.

Shall be glad to hear further from you. If you have anything special in mind let us know. With kindest regards,

Yours very truly,

Bauer, George J.

My Dear Mr. Bauer,

We are sending under separate cover a selection of Colonial notes as per your request and hope you will be able to use them. We have tried to make the prices as reasonable as possible and they should bring a good profit over what we have listed.

Hoping you will be successful with them and with kindest regards, we are,

My Dear Mr. Bauer,

Your letter also the catalogue came to hand and I hope you will have a successful sale. Note what you say regarding the balance of the Byzantine coins. Have sold those you did not take and strange as it may seem the man who bought them has asked me if you would be interested in selling those you purchased as it would help him in filling out his Byzantine collection. If you still have them and desire to sell them if you will send me a list of what you have with the price you want individually I will submit it to him. Of course if you wish to retain them there is no harm done. I am simply fulfilling a request.

Wishing you success with the sale, we are,

Your letter received and glad to hear from you. There has been so little come in the last few months, it amounts to practically nothing. The few nice things that I have been able to buy were on order several times over before we finally got them. However, I will keep you in mind and if anything turns up will get in touch with you.

I am enclosing herewith a Generious of Brutus. May I ask you to examine it carefully and let me know your opinion of it. I enclose postage for its return.

Thanking you in anticipation for the courtesy, and hoping this finds you well and not too warm, we are,
